### Your Desk, Your Way

Your organization has a unified purpose, shouldn't it have a unified look? Voi desking offers desks and storage solutions for every application—private offices, semi-private offices, open plan, collaborative, and more—while presenting an integrated design for the entire workplace. The layered worksurfaces, practical storage components, mixed materials and versatile footprints can be customized to achieve the perfect mix of functionality and style. Voi boasts an efficient offering that is also easy to specify, order and install. Select the durable, attractive top-grade laminate or the rich, lustrous wood veneer finishes, which both feature HON quality construction to ensure that your investment will pay off for years to come.

### ALLSTEEL Concensys

#### Durable Construction

With quality details including welded steel frames, threaded metal inserts on worksurfaces, metal panel connectors, top caps, and kickplates, Concensys is built to last.

#### Design Choices

Monolithic, slender panels simplify planning, specification, and installation, and are available in seven widths, between 18" and 60", with a wide range of fabric and finish options.

The Concensys panel system unifies the essential elements of systems furniture in one high-value, best-in-class package. It delivers exceptional quality at an attractive price and will retain its structural integrity through multiple reconfigurations and extended use. Concensys features thin-profile panels, multiple options for fabrics and finishes, and thoughtful, functional details. With all-metal construction, ease of specification and installation, and quick-ship delivery options, Concensys offers the best price-to-performance ratio of any comparable system in its class.
